

The Edge In Your School

The Edge is committed to providing low-cost (and no cost) test prep to students around the world and is partnering with schools to provide low-cost options for the SAT, ACT and SAT II exams. We offer a menu of options for different types of schools.

Title I Schools

For Title I schools (or the equivalent for schools outside the US), The Edge offers complimentary subscriptions for ALL students to its online courses.

The school must contact The Edge to set up a group account.

Free Lunch Students

The Edge offers complimentary online course subscriptions to ALL students who qualify for the Free Lunch program.

Contact The Edge directly for more details.

Other Schools & Groups

The Edge will give all students at your school a \$100 coupon to be used towards the purchase of a subscription to an online course.

To offer this benefit to your students, contact The Edge directly to receive your discount code to distribute to your students.

We also offer the same discount to other groups:

- Sports Teams
- PTA Groups
- Community Groups

More Free Resources

The Edge is more than an international educational consulting company. They are also an online resource center for students and their parents to access free valuable information about their college preparation.

Each week The Edge features two video series:

Test Prep Tuesdays: highlighting specific SAT and ACT test-taking strategies and techniques.

In Their Shoes Sundays: featuring short interviews of recent graduates and their experiences and lessons learned.

Other helpful resources:

The Blog: An active information center for all things related to college preparation.

Discussion Form: An online, interactive community for students and parents to ask questions and find the answers they need.

Calendar: An international calendar of important dates (i.e. college fairs, SAT registration deadlines, etc).

The \$10,000 Score Improvement Scholarship

The Edge is launching its first ever \$10,000 Score Improvement Scholarship to help motivate students to get their scores up. We want to give them a little encouragement to really improve their scores and have an opportunity for a better future. The prize will be awarded on a percentage improvement basis.

Here's how it works:

If your starting score is a 2000, you have the potential to increase your score 400 points (to a maximum of a 2400). Let's say you end up with a 2300. That means that you went up 300 out of 400 potential points, which makes your improvement percentage a 75%.

If your starting score is a 1400, you have the potential to increase your score 1000 points (to a maximum of a 2400). If you improve 750 points, your improvement percentage is also a 75%.

The Edge Offers More For Your School

Live Course and Bootcamps

In addition to the online programs, The Edge can also coordinate Live Courses and Bootcamps for your school in the New York Tri-State area, London, and Buenos Aires.

There are three levels to choose from:

Licensing: The Edge will license their proprietary SAT or ACT materials that include instructional lessons, practice drills, homework problem sets, vocabulary builders, and quizzes to your school for use with your students. Consultation sessions with your school is available.

Training: The Edge will provide the license indicated above along with an extensive training program to the teachers who will be teaching the courses in your school.

Implementing: The Edge will provide an instructor and the materials for an after-school, in-school or weekend SAT or ACT prep class or Bootcamp. The Edge can accomodate schools in any international city.
